Dear Mr. Powdrell:

On March 24, 1998, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your April 8, 1998 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

The Commission is in receipt of your Amended 12 Day Pre-Runoff Report dated April 8, 1998. However, a review of this report raises the following questions:

-You seem to have the wrong election types and dates listed on your amended Schedule A. In your letter you state that you, "have clarified each contribution according to our records as either Special Primary or Special Runoff." However, on your amended Schedule A for the 12 Day Pre-Runoff Report you list contributions to the Special General and Special Primary elections. It should be noted that the elections that are in question are the Special General on January 13, 1998 and the Special Runoff on March 10, 1998. Please amend any reports necessary to reflect the correct election type and date.

-You still need to provide a Schedule A for the contributions reported under 48 hour notices on your 12 Day Pre-Runoff Report. Please amend your report accordingly.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.
